Request for classified maps published by CIA

1. The Map Division, ORE, does not make automatic distribution of CIA maps directly to the Armed Forces Security Agency. However, no objection is interposed to the distribution of CIA maps classified through "secret" to this Agency.

2. It is suggested that the attached copy of the request from the AFSA be submitted to the Reading Panel, Intelligence Division, G-2, for action. It is understood that AFSA has representation on this Panel. At present the Map Division sends six copies of all new maps classified through "secret" to this Reading Panel. If additional copies are desired, informal notification to [REDACTED] D/Ma. will be adequate.
